

Britannica ImageQuest

*"A must-have
database."*

Library Media Connection

Photos • Primary Sources • Maps • Infographics • Illustrations
Clip Art • Full Citations • All Rights Cleared

The world's most respected image
libraries, **curated into one safe
database for education.**

elearn.eb.com/britannica-imagequest

Safe, legal, curriculum-relevant digital media for schools and libraries

Support teaching, learning and content creation with the best and broadest offering of **rights-cleared, curriculum-relevant images from around the world.**

Protect against copyright infringement

Safeguard your school or library from costly copyright infringement claims. Media on ImageQuest are fully cleared and free for educational use, including in lessons, projects, assignments or on your websites, newsletters and social media.

Facilitate culturally inclusive learning spaces

Support culturally inclusive teaching practices with locally and internationally sourced images depicting people, events, traditions, places, foods and histories from around the world.

Integrate with Britannica School

Integrate ImageQuest with your existing Britannica School, Britannica Library or Britannica Academic subscriptions to seamlessly search across platforms.

Unlock the world's best collections with a single subscription

ImageQuest features over **3 million** images from 65 leading collections **not freely available on the Web.**
