

## The Go-To Reference Resource For All Ages

Access a world-leading source of knowledge with Britannica Library. Offering four sites in one, patrons of all ages can easily conduct fact-checked research, complete homework, and explore special interests with trusted, age-appropriate content.

The screenshot shows the Britannica Library mobile app interface for the topic "butterfly and moth". The interface includes a top navigation bar with the Britannica Library logo, a search bar, and a user profile icon. Below the navigation bar is a red header with the title "butterfly and moth". The main content area features a large image of a morpho butterfly on a green leaf. To the left of the image is a sidebar with a "READING LEVEL" indicator (1, 2, 3) and a "NAVIGATOR" section with "Introduction" selected. Below the navigator are "TOOLS" (Cite, Save, Send, Print) and a "BACK TO TOP" button. To the right of the image is a "Media carousel" with a "Jump to article" button. Below the image is a caption: "morpho butterfly. A morpho butterfly rests on a leaf in Costa Rica. © Ondrej Prosicky/Dreamstime.com". At the bottom, there are three article sections: "Introduction", "Distribution and Habitat", and "Physical Characteristics".

## Offering Three Differentiated Levels

Britannica Library is a one-stop resource that offers four unique sites for early learners, children, young adults, and older patrons.

**Early Learning** offers a safe educational environment for the youngest learners.

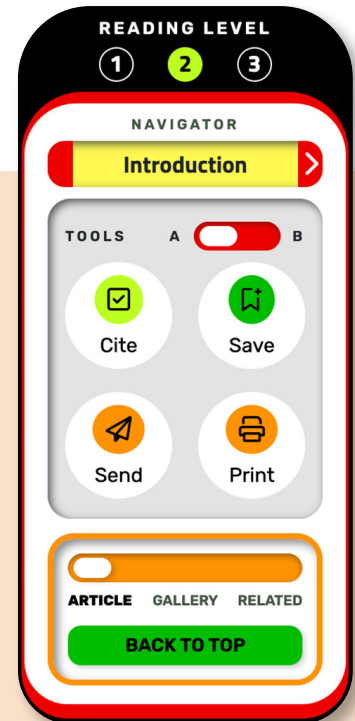

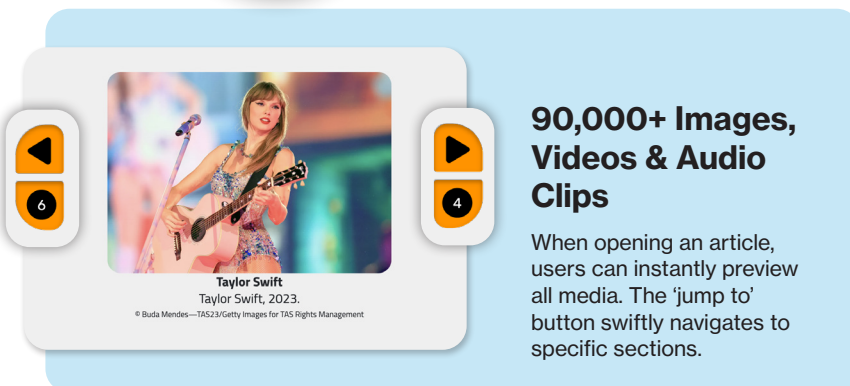

**Kids** is filled with age-appropriate content that encourages discovery.

**Teens** encourages independent learning with the ability to toggle between reading levels.

**Adults** allows older patrons users to easily conduct fact-checked research.

## Tools and Learning Features

Along with much loved favourites, we've made significant updates to enhance engagement and create a more user-friendly experience.

### Easy-to-Use Navigator

Easily access tools to switch reading levels, and use handy features like article citing. Plus, save and share articles, images, and videos in personal accounts.
