Introduction  
Land and Climate

Wedged between the Indian and Pacific oceans, Australia is the only continent occupied entirely by a single country. It is an island continent and, like the island continent of Antarctica, it is located entirely in the Southern Hemisphere.

1 Choose your level.

2 Click 'My Britannica'

3 Click 'Sign Up'

Britannica Login

Create a Username: \* (4 to 100 characters)

Create a Password: \* (4 to 22 characters)

Retype Password: \*

E-mail Address: (Required for educators)

Retype E-mail Address:

I am a(n): \*  Educator  Student

OK

Fields marked with \* are required.

4 Fill out the required fields.

5 You now have access to saving and organising materials, interactive teaching materials, finding teacher created lesson plans and creating your own lesson plans.

# My Britannica – Resource Packs

Resource Packs are a way to collect and organise Britannica School content around any topic of your choice! Try using them to support classroom discussions, or as starting points for inquiry or research projects.

Once you have created your 'My Britannica' account, you can create resource packs! Simply click on the green button and enter the title of your resource pack.

Add content to your research pack by clicking on the star in the search results OR content tool bar. Add to an existing resource pack or create a new one.

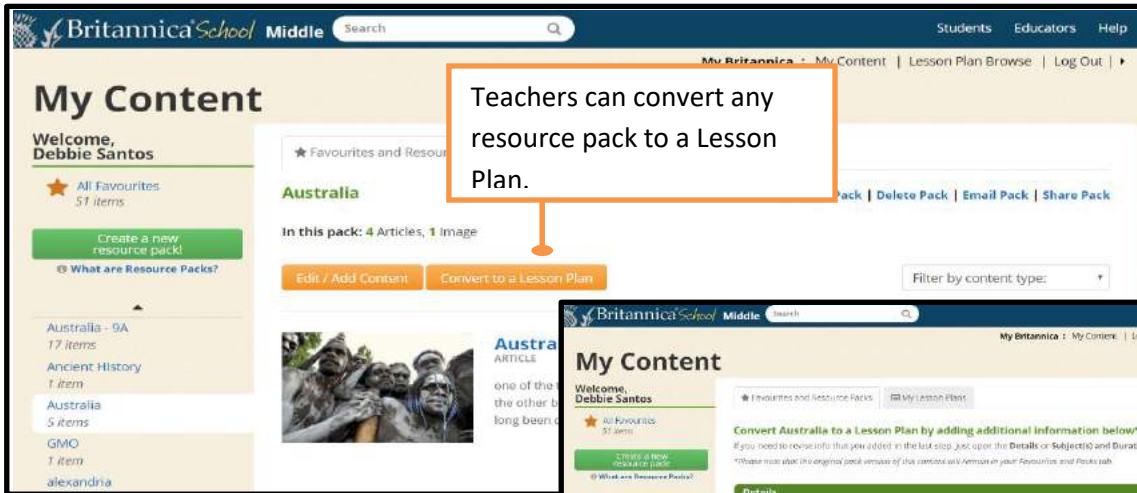

Add content to your research pack by clicking on the star in the search results OR content tool bar. Add to an existing resource pack or create a new one.

# Sharing Resource Packs

Edit your pack and add your own documents.

Add notes and share your pack with students and teachers.

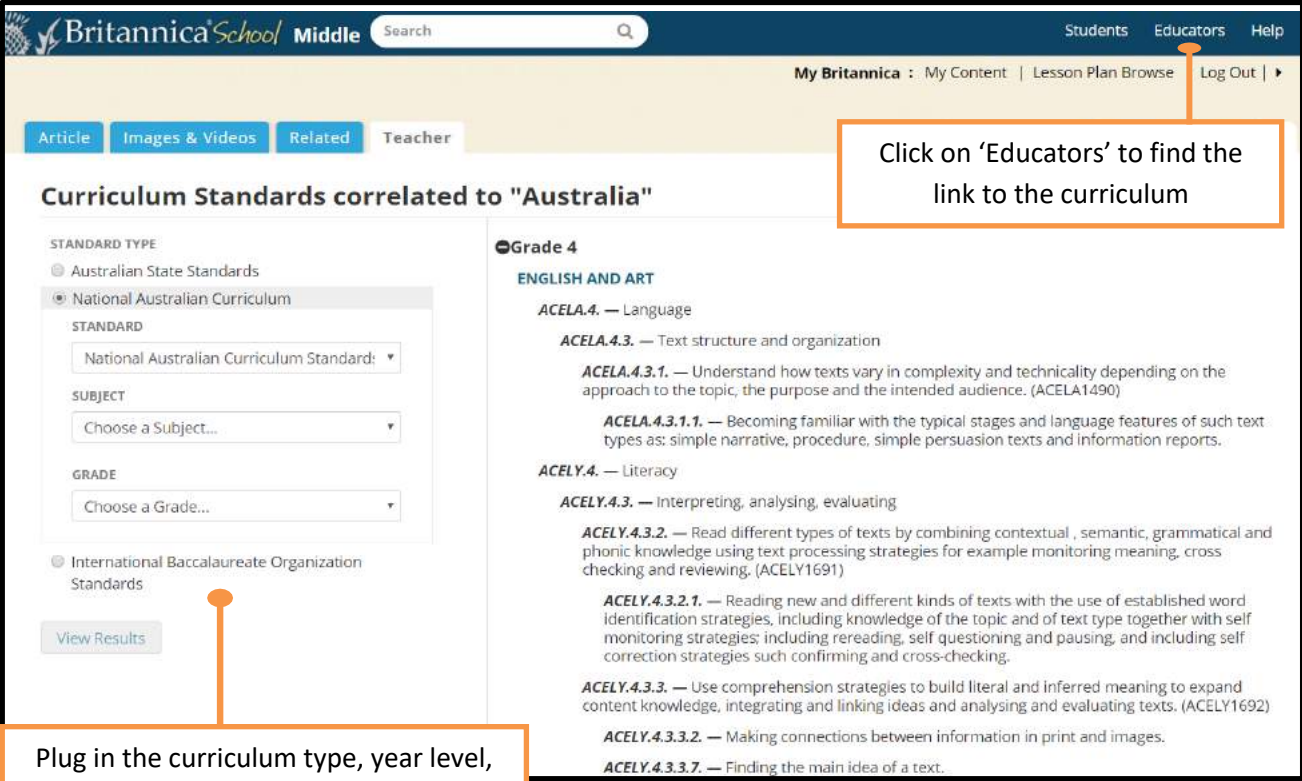

# Build and Share Lesson Plans

An easy-to-follow format makes it a snap to create and share lessons using Britannica School.

# Aligned to the Australian Curriculum

Plug in the curriculum type, year level, and subject area to find Britannica resources that align with your needs.
