All School Years Primary and High:

-  **Articles**
-  **Images**
-  **Videos**
-  **Primary Sources**
-  **Websites**

HOW TECHNOLOGY MEETS CLASSROOM NEEDS

CHALLENGES

Teachers spend nearly
2 HRS every night

searching for supplemental resources and creating materials.

Discovered resources are hard to
DIFFERENTIATE.

Teachers need new ways to
weave CURRICULUM into different subject areas.

66% of teachers use instructional materials that have not been school - reviewed.

SOLUTION

Britannica educators and editors created **LaunchPacks...**

...a trusted, continuously updated, interactive, curriculum-aligned, digital classroom tool!

BENEFITS

Save Time

Find expertly compiled F-12 resources that align with curriculum needs.

Personalise Learning

Differentiated levels and a diverse range of content types support the unique learning needs of students.

Customise Content

Add your own instructions, notes, links and documents to any Pack. Save work in the "My LaunchPacks" workspace.

Translate Articles

Translate the article content into one of over 100 different languages.

Annotate Text

Digital highlighting and note-taking allows students to fully engage with text.

Schedule Reminders

Create your own calendar and schedule Pack reminders for future dates.

Cite Resources

Resources include pre-formatted citations in multiple styles.
