

Task: The Geological Time Scale

Research the Geological Time Scale and answer the following questions.

Tip: You can find articles and media about the Geological Time Scales in the Britannica School resource pack, "geology."

What is geological time?

Explain the overarching structure of the geologic time scale (i.e., the placement of eons, eras, periods, and epochs). Hint: Use the diagram 'Geologic Time Scale' found in Britannica School.

Why do geologists describe 'layers of rocks are the pages in earth's history book?' Explain what is meant by this saying.
