

# Task: War Memorials

**Explore the significance of war memorials. Analyse the feelings a memorial evokes, the historical significance and what conflict and people it commemorates.**

Tip: Find various materials to support your research in the Britannica Library "Australia at War" resource pack.

Place an Image of the Memorial Here

Where is this memorial and what conflict and people does it commemorate?

When and where was it created? Who created it?

What feelings does it evoke (e.g. proud, sad)? How does it achieve this?
