

Task: Social Media

How and Why we Use the Internet?

**Think about how and why you use the Internet.
Record your 4 main ideas below.**

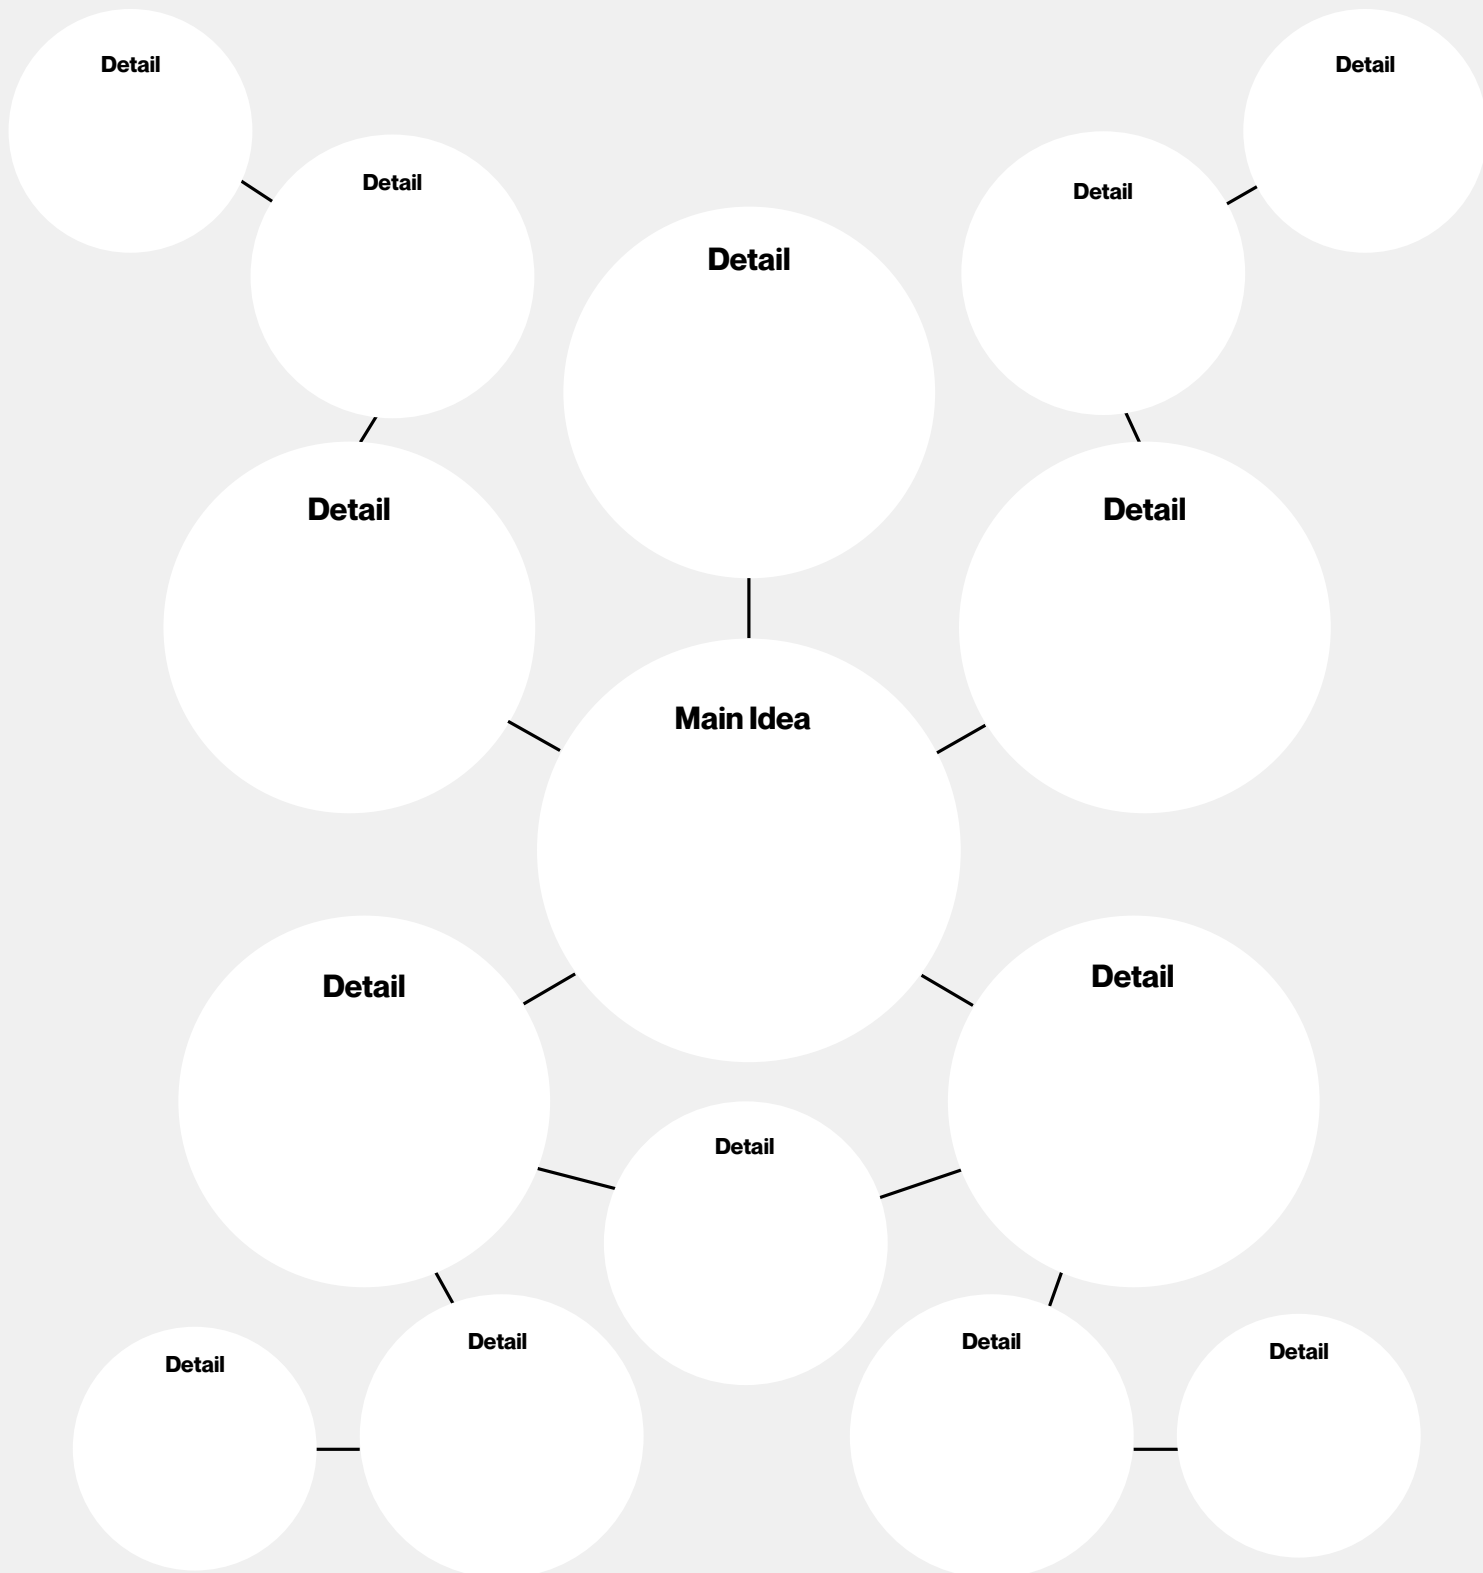

How and why do you use on the Internet ?

Task: Social Media

What is the Internet?

Read the Britannica article on Internet and watch the video A Packet's Tale (https://youtu.be/ewrBaIT_eBM) to learn more about the Internet. Use the information you have gathered to create a mind map.

Task: Social Media

Online Communication

Explore how you use the Internet and online platforms to communicate. Revisit the list created earlier and identify key platforms you use, then then complete the Online Communication table.

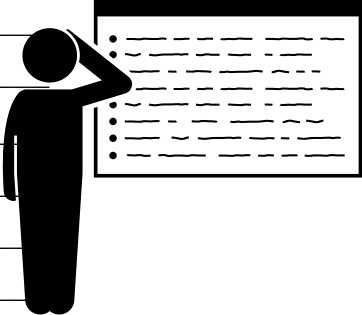

Name of the Platform	How are People Identified? e.g. Username/Avatar	How do People Communicate?	How do you use this Platform Safely and Effectively?

Task: Social Media

Online Communication Rules

Create a list of online rules and behaviours that keep you safe while communicating online.

Online Communication Rules

An illustration of a black silhouette of a person standing and looking thoughtful, with one hand on their chin. To their right is a rectangular box containing a list of ten horizontal lines, each starting with a small black dot, representing a list of rules or items.
