

Task: Castle Design

In Medieval Europe, the castle was a common type of stronghold that provided both protection and living quarters for the king or lord of the land in which it stood. Explore their design, architecture and construction. Complete the mind map.

Tip: Take a virtual tour of Goodrich Castle (<https://www.english-heritage.org.uk/visit/places/goodrich-castle/history-and-stories/virtual-tour>) or Warwick Castle (<https://my.matterport.com/show/?m=HCmSPZ4meT4>)!
