The screenshot shows a course interface. The top card is titled 'The Brain on Breaks: Why Rest Improves Retention' with a 'BRAIN-BASED LEARNING' tag. Below it is a video player titled 'Why Chunking Works' featuring a woman speaking. The video player has a play button and a progress bar. To the right of the video player, there is a list of bullet points: 'Helps the working memory more effectively', 'Encourages related ideas for easier encoding', 'Helps build stronger neural connections', and 'Leads to more independent thinking and application'.
